Mani pulite (Italian: ['ma:ni pu'li:te], Italian for "clean hands") was a nationwide judicial investigation into political corruption in Italy held in the 1990s. Mani pulite led to the demise of the so-called "First Republic", resulting in the disappearance of many political parties. Some politicians and industry leaders committed suicide after their crimes were exposed.

In Italy it can seem as if the coffee break is an all-day affair. Walk into any neighborhood bar and there will be action: the loud buzz of the espresso machine, the clatter of china on the countertop, and friendly banter as the door opens and closes in almost continuous motion. There's also always a glass case of lovely treats to ogle: sweet ones, like the reliable crostata, a lattice-topped ...
