

## *Blood And Water*

**Blood And Water**

Blood is thicker than water is an ancient and famous English proverb that means that familial bonds will always be stronger than bonds of friendship or love. The oldest record of this saying can be traced back in the 12th century in German.

Question: "Why did blood and water come out of Jesus' side when He was pierced?" Answer: The Roman flogging or scourging that Jesus endured prior to being crucified normally consisted of 39 lashes, but could have been more (Mark 15:15; John 19:1). The whip that was used, called a flagrum, consisted of braided leather thongs with metal balls and pieces of sharp bone woven into or intertwined ...
