Conceptual art, sometimes simply called conceptualism, is art in which the concept(s) or idea(s) involved in the work take precedence over traditional aesthetic, technical, and material concerns. Some works of conceptual art, sometimes called installations, may be constructed by anyone simply by following a set of written instructions. This method was fundamental to American artist Sol LeWitt's ...

Conceptual art - Wikipedia

He approached everything he did as a technician. The uncanny effects he achieved in painting were the result, as in so much Renaissance art, of mathematical precision, careful study, and firsthand observation.
