Midnight's Children is a 1981 novel by British Indian author Salman Rushdie. It deals with India's transition from British colonialism to independence and the partition of British India. It is considered an example of postcolonial, postmodern, and magical realist literature.. The story is told by its chief protagonist, Saleem Sinai, and is set in the context of actual historical events.

Each year a committee of the Association for Library Service to Children (ALSC) identifies the best of the best in children's books. According to the Notables Criteria, "notable" is defined as: Worthy of note or notice, important, distinguished, outstanding. As applied to children's books, notable should be thought to include books of especially commendable quality, books that exhibit ...
