CBSI Comics | Comic Book Speculation and Investing

Each comic book on the hot comics list has an explanation section telling you WHY you should care about it, and invest your money in a copy. We also pick a CGC grade that is optimum for potential return on investment.

HOT COMICS 2019! Make Money From These 100 Hotties

Every year, SellMyComicBooks.Com creates a list of the 100 hottest comics you should consider investing in. Among those featured include regular mainstays like Incredible Hulk #181, Amazing Spider-Man #129, and of course, Amazing Fantasy #15.

FIVE OF THE HOTTEST COMICS TO INVEST IN: 2018 EDITION ...

Punisher Mini-Series #1-5, January - April 1986: As far as Punisher key issues go, this series is more desirable to me than many of his earlier appearances; second to only his first appearance in Amazing Spider-man #129 as a matter of fact. This is the Punisher's first solo self-titled comic, and one in which we don't see him co-mingling with superheroes so much.

Comic Book Collecting and Investing: Key Issues and ...

In its purest form, investing in comics means to look at comic books from a monetary standpoint. As a general rule, most comic books will go up in value. How much they go up can vary greatly. That can depend on many factors such as rarity, condition, and popularity.

Guide to Start Investing in Comics Books - ThoughtCo

How To Invest In Comics. You always need to keep a nest egg of liquid funds set aside for unforeseen circumstances, such as a major illness, or temporary unemployment. Investing every cent you own in a high-risk, illiquid commodity, such as comic books, would be exhibiting a classic case of stupidity.

How To Invest In Comics - Mile High Comics

Of course, in the world of comic investing, more comics will be on the hot burner for quite a few years to come. So without anymore B.S., here are the more of the best comics to invest in and best comic book investments to get right now - from my favorite era The Silver Age - before demand skyrocket's value.

More of the Best Comics to Invest in - Silver Age Comic ...

I asked John Dolmayan, founder of Torpedo Comics (and System of a Down drummer), to recommend four titles I should invest in on a \$10,000 budget. So I am. And here they are.
