Wild Down Under is a BBC nature documentary series exploring the natural history of the Australasian continent, first transmitted in the UK on BBC Two in September 2003. It was broadcast in Australia under the title Wild Australasia in February 2004.. Each of the six episodes features a particular environment and, using a combination of aerial photography and traditional wildlife footage ...

Wild Down Under - Wikipedia

A diver down flag, or scuba flag, is a flag used on the water to indicate that there is a diver below. Two styles of flag are in use. Internationally, the code flag alfa/alpha, which is white and blue, is used to signal that the vessel has a diver down and other vessels should keep well clear at slow speed.

101 Critical Days of Summer - FEMA

Overview. They may seem remote and inhospitable to many, but the Earth's frigid polar regions - whether above the Arctic Circle close to the North Pole, or on the ice-clad Antarctic Archipelago - possess a beauty all their own in snow-covered cliffs, massive floes of glistening ice, and calving glaciers.
