Distance Education allows you to take courses in your own environment while you continue other aspects of your calling. Why do it? While we believe that theology is best learned in community, and therefore have a strong residency component to all our programs, we understand that life circumstances may prevent you from completing your entire program in Vancouver. As such, we offer a limited ...

- Hi everyone, welcome to Foundations of Game Design. I'm Brenda Romero. In this course, we'll look at the role of the game designer in the industry and we'll take a look at the different types of game designers. We'll explore how games are made, from game mechanics to core loops to design docs, and of course, we're going to take a look at entering the game industry as an indie or within a ...
