Given the extraordinarily high rate of crime in South Africa, the notion of police accountability is crucial for the effective handling of crime prevention, criminal justice, and community relations.. In a concise nutshell, police accountability asserts that as an agency tasked with serving the ends of social peace and personal security (as well as the security of property), the police force ...

### **The Notion of Police Accountability**

Governance comprises all of the processes of governing - whether undertaken by the government of a state, by a market or by a network - over a social system (family, tribe, formal or informal organization, a territory or across territories) and whether through the laws, norms, power or language of an organized society. It relates to "the processes of interaction and decision-making among ...

Good governance at all levels is fundamental to economic growth, political stability, and security. The OSCE works to tackle many aspects of weak governance, including corruption and money-laundering, and to promote full respect of the rule of law, increase transparency, and develop effective legislation as the foundation of a functioning State.

### **Good governance | OSCE**

This is an authoritative, one-volume, and independent treatment of the history, functioning, and nature of the European integration. Written by leading scholars, it covers the major institutions, policies, and events in the history of integration, whilst also providing a guide to the major theoretical approaches that have been used to study it over time.
