Welcome To Northern Soul Dance

Northern soul is a music and dance movement that emerged in Northern England and the English Midlands in the late 1960s from the British mod scene, based on a particular style of black American soul music, especially from the mid-1960s, with a heavy beat and fast tempo (100 bpm and above).. The northern soul movement generally eschews Motown or Motown-influenced music that has had significant ...

Northern Soul is a 2014 British historical film directed by Elaine Constantine. It tells the story of two young Lancashire teenagers, Matt and John, whose lives are changed forever by the discovery of American soul music and the dance culture that grew up around it in Britain. The film was selected to be shown in the City to City section of the 2015 Toronto Film Festival.
