The Garden Bridge project was a private proposal for a pedestrian bridge over the River Thames in London, England. Originally an idea of actor Joanna Lumley, Thomas Heatherwick worked with Arup on a proposal by Transport for London (TfL) for a new bridge across the Thames between Waterloo and Blackfriars bridges. The proposed concrete, steel, cupronickel clad structure was intended to carry ...

To escape the unstable social climate in England of this time, many families boarded ships for the New World with the hope of finding land, opportunity, and greater religious and political freedom. Although the voyages were expensive, crowded, and difficult, those families that arrived often found greater opportunities and freedoms than they could have experienced at home.
