Lancome Miracle Magic

This fragrance can be exactly described by two words: energy and revelation. The beauty lies in living, in maintaining interests, in seeing and cherishing every second of life as a miracle, and in the ability to start all over again. Uma Thurman is the face of Miracle - a beautiful and wonderful woman able to walk both on the air and on solid ground.

Classic floral oriental fragrance launched in 1995. The structure of Poeme is original, does not follow classic structure of top, middle and base notes. The notes of the composition are appearing alternately, like echo. The composition features intoxicating Himalayan blue poppy, white and yellow flowers (mimosa, rose, freesia...) and vanilla flower.

Lancôme est une marque de cosmétiques et de produits de luxe créée le 21 février 1935 par Armand Petitjean, parfumeur à Paris. Le nom est choisi pour sa sonorité « bien française » (comme Vendôme ou Brantôme). La marque appartient à la société en nom collectif Lancôme Parfums et Beauté et Compagnie [1]. Elle fait partie du groupe L'Oréal (coté en Bourse).

Lets see how this one fared for me.
