History. The neighborhood is situated around Gerritsen Creek, the westernmost inlet of Jamaica Bay; the creek's path within the neighborhood was covered in 1920. During the last 5,000 years, strips of sand were deposited by ocean currents. These beach strips form a surf-barrier and allow salt marshes to thrive: ...Gerritsen Creek was a freshwater stream that once extended about twice as far ...

In one copy of the story, we are told Satan told David to do so. In the other, it was God. How can this be? It is because in the Old Testament, Satan and God are the same being. Satan in the Old Testament is merely the face that God puts on when it is testing its people. "The anger of the Lord" is Satan.It was common in old religions (Hinduism, Roman religions, etc) for gods to have multiple ...

Preface. A thought conceived but not expressed is at best only an unborn child, not only without any influence on the world, but of whose very existence the world may be unconscious; but once brought forth it becomes part of the living working universe, to work there its appointed season, and possibly to leave its mark for good or evil on all successive time.

Folklore of Women by Thomas F. Thiselton-Dyer is a largely forgotten book from a century ago with an extensive collection of proverbs, adages, and quotes from the past regarding women. The book is well worth reading, as it's a gold mine of red pill truths from different cultures across the world. What's fascinating is just how much of what is recorded here still rings true for today's ...

That which rules within, when it is according to nature, is so affected with respect to the events which happen, that it always easily adapts itself to that which is and is presented to it. For it requires no definite material, but it moves towards its purpose, under certain conditions however; and it makes a material for itself out of that which opposes it, as fire lays hold of what falls ...
