Map World Services 2000 is a Calgary-based map store selling an array of maps, globes, GPS and nautical charts. However, we take pride in the fact we have grown the company on custom mapping and GIS consulting. The consulting side of our business consists of converting data into a map format, then displaying the data into digital or physical media.

The Ptolemy world map is a map of the world known to Hellenistic society in the 2nd century. It is based on the description contained in Ptolemy's book Geography, written c. 150. Based on an inscription in several of the earliest surviving manuscripts, it is traditionally credited to Agathodaemon of Alexandria.. Significant contributions of Ptolemy's maps are the first use of longitudinal and ...
