

Ngos A New History Of Transnational Civil Society

Ngos A New History Of

NGOs (Non Governmental Organizations) have become quite the choice tool of subversion, destabilization and domination for the US-led New World Order. As the recent Soros hack has shown, the US (in particular) has embarked on a cunning strategy of infiltration in its foreign policy. On the surface, NGOs appear as benign, helpful and, at the very worst, harmless creatures which do work that ...

NGOs: Choice Tool of Subversion for the New World Order ...

Non-governmental organizations, nongovernmental organizations, or nongovernment organizations, commonly referred to as NGOs, are usually non-profit and sometimes international organizations independent of governments and international governmental organizations (though often funded by governments) that are active in humanitarian, educational, health care, public policy, social, human rights ...

Non-governmental organization - Wikipedia

What is a Non-Governmental Organization (NGO)? Though it has no internationally recognized legal definition, an NGO generally refers to an organization that operates independently from any government – though it may receive funding from a government but operates without oversight or representation from that government.
