How-to Pottery tips and lessons covering pottery wheel techniques, hand building, sculpting, glazing and firing | Learn how to manage a pottery studio

### **Pottery Tips, Instructions and Tutorials | Learn Pottery**

Easier - Pottery are objects that are first shaped of wet clay, then hardened by baking. Pottery includes both decorative and practical items such as bowls, vases, dishes, and lamps. Harder - Pottery is a decorative or useful ware made of baked clay. Pottery includes valuable works of art, inexpensive dinnerware, vases, and other simple household items, all made by professional potters.
