Public Management And The Rule

Public Management and the Rule of Law [Julia Beckett] on Amazon.com. *FREE* shipping on qualifying offers. Filled with practical tools and guidelines, this book addresses an essential competence for public managers - incorporating governance and law in public administration. It links democratic constitutional values to administrative decision making and practices by stressing how public law ...

Public Management and the Rule of Law: Julia Beckett ...

But the growth of the state apparatus and the increasing intensification of the public administration's role in society have necessitated rather broad legislative grants of discretion to the bureaucracy. The result has been a seemingly perennial tension between the rule of law ideal and the modern administrative reality.

Rule of Law in Public Administration: Problems and Ways Ahead in Peace Building and Development. In many peace-building environments, public administration reform and justice sector reform are promoted as separate projects, underpinned by different paradigms. As a result, there is a rule of law deficit in the public administration and in the international efforts being made to reform it.
