The Real Estate Roundtable brings together leaders of the nation's publicly-held and privately owned real estate ownership, development, lending and management firms with the leaders of national real estate trade associations to jointly address key national policy issues relating to real estate and the overall economy.

### **The Real Estate Roundtable**

Real estate development, or property development, is a business process, encompassing activities that range from the renovation and re-lease of existing buildings to the purchase of raw land and the sale of developed land or parcels to others. Real estate developers are the people and companies who coordinate all of these activities, converting ideas from paper to real property.
