The railway is at the heart of a successful Britain It connects people – with friends and family, and with jobs, underpinning a thriving economy. It's our role at Network Rail to provide the best possible service to everyone who relies on the railway – passengers, the train and freight operating companies and businesses nationwide.

Our role - Network Rail

OPM's history begins with the Civil Service Act, signed in 1883, ending the spoils system and establishing the Civil Service Commission. The Commission, led by the energetic Teddy Roosevelt, laid the foundations of an impartial, professional civil service based on the merit principle – that employees should be judged only on how well they can do the job.

Our Mission, Role & History - opm.gov

When a single parent begins to look for someone new to date, they need to be honest about the fact that they have a child, so the date can decide if they want a role in that child's life

What is role? definition and meaning - BusinessDictionary.com
