Water damage is a killer in mobile homes, especially those which were built in the 1970s or earlier. In those days, manufacturers relied on particle board flooring. It is cheap stuff that's little more than sawdust bound together by lots of glue. This is why any water damage, whether it be from a ...

Rummaging through this pile of old organ pipes, I was able to find many character-filled pieces or old wood. I've already repurposed an old board that had been labeled with organ stops into a DIY Craft Jar Herbs Kitchen Planter.. Another board that I salvaged would make the perfect shelf in my remodeled laundry/mud room. My husband suggested that wooden corbels would make excellent shelf ...
