The data were later categorized into the themes according to their similarities as advised by many other scholars (Saunders et al, 2009). 42,45,46 The findings were there- after compared between ...

(PDF) Research Methods for Business Studies

In this book, Saunders et al address what are perhaps the two biggest problems in teaching Research Methods - getting students interested in methodology and theory and helping them to understand the practical relevance. Depth of coverage combined with an accessible style, a real practicality and a straightforward structure result in consistently good student and lecturer feedback.

Research Methods for Business Students - Mark Saunders ...

strategy as “a general orientation to the conduct of research” (pp698). Research strategy, according to Remenyi et al (2003), provides the overall direction of the research including the process by which the research is conducted. Saunders et al (2009) mentioned that appropriate research strategy has to be
