Saxon Math 5 4 Assessments

When our daughters were young, we tried a number of different math programs, without success. One approach was overly simplified. Another lacked review; when early concepts showed up on a test, one daughter had no recall of ever having learned them. We switched to a third curriculum, but it was so ...

Most states have, or are developing, tests to assess their students' proficiency in state frameworks of curriculum. Many of these states are including students with limited English proficiency in this assessment process, but a significant number of LEP students have difficulty passing these standardized tests.
