The Fourth Network How Fox

In American television terminology, a fourth network is a reference to a fourth broadcast (over-the-air) television network, as opposed to the Big Three television networks that dominated U.S. television from the 1950s to the 1990s: ABC, CBS and NBC.. When the U.S. television industry was in its infancy in the 1940s, there were four major full-time television networks that operated across the ...
