### **The Great Society Subway**

The Crystal Palace subway is a beautifully designed and crafted relic of Victorian construction hidden under the road at Crystal Palace Parade. The subway is a source of pride for those locals who know of its existence. New visitors are always amazed to find such a spectacular structure propping up a main road while remaining out of sight and neglected.

The Glasgow Subway is an underground rapid transit line in Glasgow, Scotland. Opened on 14 December 1896, it is the third-oldest underground metro system in the world after the London Underground and the Budapest Metro. It is also one of the very few railways in the world with a track running gauge of 4 ft (1,219 mm). Formerly a cable railway, the Subway was later electrified, but its twin ...

Subway to Sally is a folk metal band that was founded in Potsdam, Germany, in the early 1990s. Their music has clear folk and medieval influences, later also with gothic and metal elements added to the mix. With their continuous inclusion of oriental sounds and elements of classical music (noted for instance by the use of the arrangements of the backup vocals) and the use of instruments less ...

INTRODUCTION. The completion of the rapid transit railroad in the boroughs of Manhattan and The Bronx, which is popularly known as the "Subway," has demonstrated that underground railroads can be built beneath the congested streets of the city, and has made possible in the near future a comprehensive system of subsurface transportation extending throughout the wide territory of Greater New York.
