Other Trips. Greenwich Not really out of London, but there's plenty to see in this village on the river with a proud maritime history. Go by river and come back by the Dockland's Light Railway (or vice versa). The DLR runs through the old docks on the north side of the river, as well as Canary Wharf - a futuristic development (the tube station there won a major architectural award) and the ...

Wayne Manor is a fictional American mansion appearing in American comic books published by DC Comics. It is the personal residence of Bruce Wayne, who is also the superhero Batman. The residence is depicted as a large mansion on the outskirts of Gotham City and is maintained by the Wayne family's butler, Alfred Pennyworth. While the earliest stories showed Bruce Wayne buying the house himself ...

Interesting news from Russia in English language. Guys (1) these houses are not medieval - one was built in 1897 another one in 1903 (2) the one with furniture is not abandoned - it belongs to a friend, an artist who bought it from village council back in 1972 and saved it from destruction like the other one, since the village became abandoned.
