

The Politics Of Misinformation Communication Society And Politics

The Politics Of Misinformation Communication

History. The history of misinformation, along with that of disinformation and propaganda, is tied up with the history of mass communication itself. Early examples cited in a 2017 article by Robert Darnton are the insults and smears spread among political rivals in Imperial and Renaissance Italy in the form of "pasquinades," anonymous and witty verse named for the Pasquino piazza and "talking ...

Dog-whistle politics is political messaging employing coded language that appears to mean one thing to the general population but has an additional, different, or more specific resonance for a targeted subgroup. The analogy is to a dog whistle, the ultrasonic tone of which is heard by dogs but inaudible to humans.. The term is often confused with code words used in some specialist professions ...
