The sea is the interconnected system of all the Earth's oceanic waters, including the Atlantic, Pacific, Indian, Southern and Arctic Oceans. However, the word "sea" can also be used for many specific, much smaller bodies of seawater, such as the North Sea or the Red Sea. There is no sharp distinction between seas and oceans, though generally seas are smaller, and are often partly (as marginal ...

The hybridity of Irish literature in English. After the literatures of Greek and Latin, literature in Irish is the oldest literature in Europe, dating from the 4th or 5th century ce. The presence of a "dual tradition" in Irish writing has been important in shaping and inflecting the material written in English, the language of Ireland's colonizers.
